

# Oak Grove Nature Center

## Nature Nights Program

## “Insect Galls – a Talk and Walk”

presented by

**Dr. Kathy Schick**

Join us for an adventure in the Oak Grove as we explore the trees and other plants for galls caused by tiny insects laying their eggs IN the plants.

Dr. Kathy Schick will lead this wonderful adventure with a slide presentation and a walk through the oaks around the Nature Center.

**Friday, August 20th, 2010**

**7:00 – 8:30 pm**

**OAK GROVE NATURE CENTER**

Oak Grove Regional Park
