

Micke Grove Zoo

Elementary School Programming

Amphitheater Programs:

Classes taught outside by our staff in the amphitheater on site. Our lessons include bio-facts and animal ambassadors

Animal Classifications (2-4th) | Habitats and Adaptations (K - 4th)
Wildlife Conservation (K-5th)

Guided Zoo Tours

Guided walking tour through the zoo with one of our expert staff. Includes general information about the zoo animals and bio-facts

Self-Guided Zoo Tours

Have your group explore the zoo on your own, at your own pace. If you book with the Education Department, you will get a discounted rate
